

BOOK: 2007 MONACO F1 GRAND PRIX

Monaco Street Circuit, Monte Carlo -

The Monaco Grand Prix is the one race of the year that every driver dreams of winning. Like the Indy 500 or Le Mans, it stands alone, almost distinct from the sport from which it was born. A combination of precision driving, technical excellence and sheer bravery is required to win in Monte Carlo, facets which highlight the differences between the great and the good in Formula One.
